Summer of Heroes

 [SummeroH](#)

Just in time for the start of summer, presenting Crackle's SUMMER OF HEROES — four weeks of epic valor, unrestrained laughs and nonstop action.

Week one kicks off with **Superhumans & Superheroes** featuring [Last Action Hero](#), two [Resident Evil](#) movies, [Crouching Tiger, Hidden Dragon](#) and several must-see [Marvel Anime series](#).

Three more valiant themes are headed your way including **Heroes in Uniform**, **Ordinary Becomes Extraordinary** and **Hall of Anti-Heroes**.

Doesn't your summer deserve more heroes?

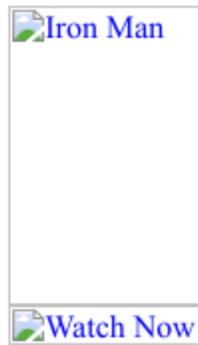

The "Governator" pumps up an action movie meta-spoof into an eminently addictive testosterone-fueled joyride.
Rated PG-13

One of the first videogame adaptations remains one of the best thanks to glorious gobs of destruction and rad zombies.
Rated R

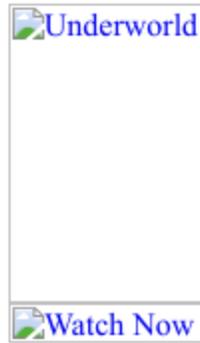

The martial-arts genre elevated to the dizzying heights of a breathtaking high-wire aerial ballet.
Rated PG-13

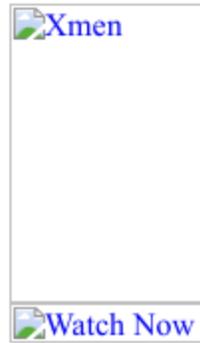

Tony Stark is done proud in a flawlessly executed and thrillingly scripted action-packed anime series.
Rated TV-14

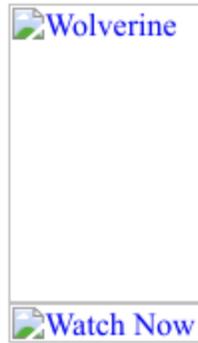

Stylized anime action combined with a fresh take on Eric Brooks (Blade) gives this series teeth er fangs.
Rated TV-14

Kate Beckinsale makes one beautiful badass vampire in an addictive franchise that comes at you with guns blazing.
Rated R

The best team of super heroes joins with the best anime artists to make this beautiful and action-packed series.
Rated TV-14

Razor-sharp animation and breakneck action give claws to this addictive rescue adventure series.
Rated TV-14
