I never threatened you. Never. Never. I never would fight or
Cross you in any way ...and I never threatened Steve Hanson. I even emailed him to thank him for taking the
time to speak to me and said i appreciated his candor and wished him a nice summer- i said to steve that while i
was hurt and concerned that he would engage after what happened i appreciated his time and willingness to take
my call. I emailed you as not only a friend but also as someone who I care for. I will forward to you my email to
steve. I did not threaten him nor you and im shocked - I know better. Steve should know better... I would never
threaten you and I never have. NEVER
