---

Good night boss

LSJ

- Liston and Broadband is scheduled for installation of LSJ radio tomorrow if all goes as plan the should be internet by Thursday morning.

Findings:

the main compound pool system needs:

- new wiring
- new speaker connectors
- repair or replace two Berlins high/mid speakers and 1 sub

Tiki needs:

- audio closet needs repairs
- new system
- new amps
- new wiring and connectors
- speak need further testing but they are working

Flag pole pool needs:

- new connectors
- 30 % of the wiring need to be replaced
- I have not finished testing all the speakers but so far they are in great shape.

Theater

- The parabolic test will need to be ran
- all equipment is functioning correctly
- I am waiting for the 4K Apple TV to arrive

Regards

Jruan
