Importance: Normal

Jeffrey, thank you so so so much for hosting my parents!!! I cannot describe how thankful I am... it means so much for me to have them here for such an important event in my life -graduation from Juilliard!! You are simply AMAZING.

Jeffrey, I also wanted to ask you about the dentist. I went to see dr. Magnani [REDACTED] to fix some teeth and I asked him about the surgery. He suggests to move it after the commencement as he cannot guarantee I will be all ok in a week because of one particularly troubled wisdom tooth that might be complicated to pull off and could take some more time to heal... Should we postpone the date of surgery and move my flight?
