Subject: Explore Quantum Gravity with Carlo Rovelli

Date: Thu, 12 Jan 2017 16:35:50 +0000

 World Science U

World Science U is thrilled to announce that our latest Master Class is now available:

Loop Quantum Gravity

General relativity and quantum theory are the two pillars of modern physics, but they provide conflicting views on the nature of gravity and spacetime. A quantum theory of gravity is needed to reconcile these opposing perspectives. Join **Carlo Rovelli**, Director of the Quantum Gravity Group at Aix-Marseille University, as he takes you to the smallest scale of the universe to find a solution to greatest problem in physics.
