I want to make sure I understand what we are intending to achieve with each request in the subpoena and also what your understanding is of all of the goals for this particular subpoena. Is this everything that we want? I understand that you are trying to tie the requests to what is in the amended complaint so as not to fall victim to protective order or motion to quash, but are we being too narrow here? Also, should we not send this to Roy for his input as well?

Please advise.

Also, please make sure whoever is drafting knows to eliminate LM from the caption on the various pleadings. L.M. is not in the caption for the depo duces tecum, but she is in the caption for the notice of deposition.

Thanks.
