Dear Jeffrey

Please find attached the CV of a candidate. I agree that her looks are not best but she has work experience and CV looks consistent. I can meet her in zurich, interview and ask to loose 10 kilos to get qualified to Skype interview some time soon...?

My digital advertisement campaigns for PAs don't work well yet. Only not model looking candidates CVs are coming so far...

Will come up with better advertisements ideas soon.

It has been very harsh at work now here in switzerland...makes me sad...not sure how to improve situation or just accept it and let go?. But Berkeley is coming and it's such a light at the end of a corridor ! I'm so delighted to study there again :-)

Kind regards,

Please find my CV and pictures attached. I am born in 1993 and just turned 24 in April, hope that's not a big issue.

Looking forward to hearing your feedback and wishing you a wonderful evening!
