Milken Institute Global Conference

April 30 - May 3, 2017, Los Angeles, CA

Each spring, top executives, government officials and thought leaders from every field convene at the [Milken Institute Global Conference](#) to tackle some of the world's most complex problems. This year, we're celebrating the 20th annual Global Conference by focusing on the powerful theme of "Building Meaningful Lives" in the 21st century.

If you're not able to join us in person this year, you can still gain insights into the timely topics that will be center stage by joining the

#MIGlobal conversation across our social media platforms. Follow us on [Facebook](#), [LinkedIn](#), and [Twitter](#) to stay up to date.

Livestream Global Conference Panels

A select number of panels will be livestreamed throughout the Conference, starting with "A Conversation with Steven Mnuchin, Secretary, U.S. Department of the Treasury," on Monday, May 1, at 7:45 a.m. (PST).

Insights Into Building a Meaningful Life

Each year, the Institute invites brilliant minds and people who have changed the world to contribute to a collection of essays titled *The Power of Ideas*. This year, the theme of the publication, like the Conference itself, is "Building Meaningful Lives."

Global Conference on LinkedIn

The *Milken Institute Global Conference on LinkedIn* series will be premiering Sunday, April 30. For the series, we asked Global Conference speakers to answer: How does one build a meaningful life in the age of technological disruption? We'll be adding new articles daily throughout the Conference.
