Do More In Less Time

Hi There,

Our [50% Off "Brain-Hack-A-Thon"](#) will expire in less than 4 hours! What are you waiting for?

What if you could make one change in your daily routine that required zero willpower—but made all your other goals more attainable?

Focus@Will has done that for almost a million subscribers!

Do you work from home and can't manage your time due to all the distractions throughout the day?

Are you in an open office space and can't seem to get a few minutes of work done without an interruption from a chatty co-worker?

We know how tough it is to lose your focus flow...

By combining neuroscience research with our music expertise, the Focus@Will team has created a service that asks no more of you than to simply listen while you work on everyday tasks. You can pick any style of music that works for you, from Uptempo to Classical, knowing that every track has been meticulously edited to enhance your focus. Plus, Focus@Will is an exclusive library, meaning you cannot access it anywhere else on the web ;)

Here's the link hand picked for you, it's active for the next 4 hours: [50% off Focus@Will offer](#) (please don't share this link).

Our Focus team is standing by if you have any questions.
