as you know , I am naive with regard the history, facts on the ground. - yemen . openly described as terrorists with hezbollah and iran, , yesterdays seal raid, not helpful, . hopefully my friend can move part of the way, but the sauid s with american help are starting to believe they can win. thats not good. . us hates iran. l they cant outwardly bomb them, teaching them a lesson in yemen seems to be the next best thing. . somehow you need to move away from iran. they are the targets. . just your cousins view

Salam cousin brother -

Looking backwards since September 11 till today ,no yemen citizen were ought or participated in any Terrorism at all-

Alqaida was

Exported by some neighbor countries into yemen -

Sanaa has no relationship nor will allow IRANIAN influence into yemen -once the Arab Coalition supported by the west for economical reasons mind their Bussiness and cease attacks on yemen -

There may be infiltration into yemen

By iran directly or indirectly during past period due absence of strong government in sanaa -

Once Sanaa regain its influence on Yemen ( south and north )- there won't be any of these infiltration or terror organizations -

The instability and infiltration in south and North Yemen is the cause of the Arab Coalition in legal war
