Jeffrey,
Here is what Gary Texted me;

Lar. Talked with Mark. New asking price is 21.9mm. The just signed an LOI on the replacement airplane and seem to be more in the selling mode. What they told Mark is that they are willing to do a deal that's consistent of the market. They will not entertain what they said would be a "stupid" deal but will entertain a good deal. They have suggested that you come see the airplane and then talk price. Mark thinks they are in the 20-21mm mindset. Jay Messingers airplane lacks the tanks and he is at a higher price point. Who knows?

(Josh's informs he has 7 Aux tanks)

I spoke to Josh
He's in Genva at EBACE, he met with Embrair all week, the BBJ Owners,.
No official price reduction, still \$24.5M posted asking price.,however Josh in forms they encourage an offer, they want it sold,.
Josh always states, it will not be less than \$20m
This Summer a C check is due,. And Josh informs seller will accomplish this inspection included,. So we wouldn't have to pay for the pre-buy if we consider this C check our PreBuy,.
Josh would like to see \$23M ,, which he thinks might work,. Wishful thinking in his part,.
