Good you like [REDACTED]! I'm happy you take her seriously as candidate for job. She was very pleased you gave her a ride and chocolate. She mentioned that she&her mum too are totally fine with what journalists write about you. She is not afraid of anything

I hope you give [REDACTED] a chance and see if she is good, and find what kind of assistant work she is able to deliver

[REDACTED] can make a tourist one, Russians get it for 2-5 years. If you like her at work she can get a long term student visa doing english courses or distance Master and be authorised to work.

I will send photos+CVs of others tmrw organised in 1 email :-)

Kind regards,
[REDACTED]

Hi Jeffrey!

How do you like candidates ?

I have [REDACTED] (based in LA with green card, former model and volleyball player), Anastasia Kotova(from [REDACTED], old ^ but super tall, skinny, gorgeous with 2 Masters) and a new one [REDACTED] who line up to get an interview with you.

Do you want to see more CVs or happy with [REDACTED] and [REDACTED] for now?

Did you see my email for Viktoria secret ?
