- a) Any thoughts on Entity or Individual for CD at United Bank. Balance is 784,000. I would like to renew at 750,000 or lower if they could make a larger payment than 34,000 by 4/14/2011. I spoke with Jeff and he said JL was speaking with other banks that would offer credit line but had nothing concrete.
- b) Flight options and trips?
- c) Cello – should I proceed with wiring funds and making arrangements for it to be sent to NY. I spoke with Yoed and he sent me a sample agreement.

Please advise
