I understand, but I am uncertain, what you would like me to do for you, I am sure you do not mean you want money for sex. . I cant do that. it is against the law, and i wouldnt do it. . but im sure you know what you want. I can introduce you to more agencies. but you never , ever have to have sex with me , ever

I'm sorry, i was working so couldn't answer you before.. You have given a hint to try sex between you and me. I thought we could try to do this cause i really hope you will help me with modelling.. It's really important for me and i am very grateful for you that you tried to help me until now. But i wouldn't like to lose my virginity for free. Otherwise i would have lost it a long time ago. Many men, boys wanted me and suggested sex with them, but i always refused because i knew i would regret after this. I cannot take pussy photo because i feel uncomfortable. It is too awkward for me.

I want to say you one thing. We were talking about sex. I know that i would happy to try this. I would agree to try many things of sex. But i want to be sure you will not leave me after this and help . It is the only thing i care about.. It is very important for me as i am virgin. I know that i always get confused on skype and maybe i seem a bit slow motion when i am talking. It's not good.. But i'm trying to change
