Confirmed: June 15 morning.

When to Skype? (pre or post needed haircut?)

For Breakthrough series, next step, I think, is devising a more refined list of probing topics - expanding / sharpening those I sent (derived from our various communications).

Also politics of course (US/China/MiddleEast - lots of fun).

I'm in NY, likely depart June 15 evening - meet June 15 morning? Or prior if you return.

What works about a "Radical Breakthroughs" series is the unusual collection of ideas from apparently diverse fields, framed around the organizing principle of deep structural probes of the nature of reality/life/sentient life. Utterly unique.

Fallback: Skype / FaceTime?
