Jeffrey

Just heads up,. When you meet with Eric Saturday,, he's going to press you to commit to an answer ref Changing the wood in the 550,, or if your electing to keep the wood as is,,

According to Eric,, he's turned down another job to make schedule arrangements for Full interior and wood on your G550.,

He tried to ask me if we are completing the wood,, I said it may depend if we go to contract on a BBJ,, I told Eric,. I just don't think you've made up your mind either way on Wood.,

Eric has been getting a little "salesMan" lately, and thinks his shop is like Gulfstream the factory,, maybe a little less expense.

Just FYI

Thx

Larry
