Like the payment of legal fees to BJ, the 2255 waivers in a criminal agreement, the whole Rothstein debacle makes your case singular in terms of future discussions

Im told that rothstein has allowed the trustee to depose him.. the feds were there, nurik has extensive notes that he is willing to share.. it also turns out that though brad edwards joined the rra firm in 09,, the email traffic says that scott was pimping my cases as early as dec of 08. Rothstein said that both adler (brought edwards into the firm and rosenfielt knew of the scheme).
