Fatah's youth movement Shabiba in Bethlehem recently distributed a free diary to high school students in which the front cover has a photo of Yasser Arafat, and the back cover displays photos of arch-terrorist Abu Jihad, who was responsible for [the murder of 125 Israelis](#), and Salah Khalaf who was the head of the terror organization Black September, a secret branch of Fatah. Attacks planned by Salah Khalaf included the murder of the 11 Israeli athletes at the Munich Olympics in 1972 - an attack [Fatah still glorifies](#).

Text on back cover of diary under pictures of the terrorists: "Shabiba is the guarantee of the future and the loyalty to the path of the Martyrs (*Shahids*)"

Text on front cover:

"Bethlehem branch of the Fatah Movement

Student Diary

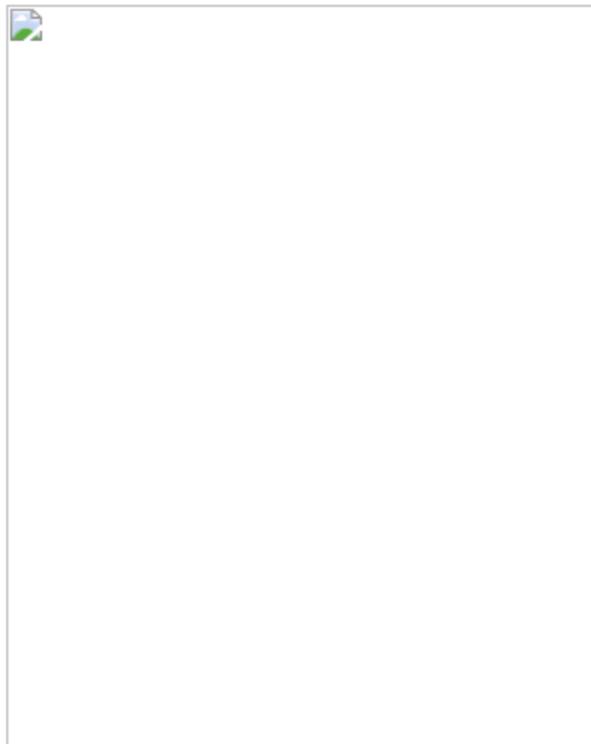

When you help Shabiba by belonging to it, you help yourself
as you are helping the Palestinian essence itself
And therefore you are helping the homeland,
and you belong to it and are a sacrifice for it"

[Palestinian Media Watch](#) has documented that Fatah's university student movement -also named Shabiba - sends university students the same message that violence is the proper path. At two Palestinian universities, An-Najah National University in Nablus and Al-Quds Open University, [Shabiba's logos advocate dying for "Palestine"](#):

The front cover of the new diary also bears the logos of Fatah and the PLO, which include the PA map of "Palestine" that presents all of Israel as part of "Palestine". PMW has shown that the denial of Israel's existence and right to exist is one of [the most fundamental ideologies](#) of both the PA and Fatah.

Abu Jihad (Khalil Al-Wazir) - was a founder of Fatah and deputy to Yasser Arafat. He headed the PLO terror organization's military wing and also planned many deadly Fatah terror attacks in the 1960's - 1980's. These attacks, which murdered a total of 125 Israelis, included the most lethal in Israeli history - the hijacking of a bus and murder of 37 civilians, 12 of them children.

Salah Khalaf (Abu Iyad) - PLO Chairman Yasser Arafat's deputy, one of the founders of Fatah, and head of the terror organization Black September, a secret branch of Fatah. Attacks he planned include the murder of 11 Israeli athletes at the Munich Olympics (Sept. 5, 1972) and the murder of two American diplomats in Sudan (March 1, 1973).
