Hi Jeffrey!

As I promised to tell you about my new position informing that now I'm working for RDIF (Russian Direct Investment Found, www.rdif.ru). And in this position I'm looking for any opportunities to attract money to Russia (projects in Russia) and to support investors in there activities in Russia and to help them to make money in Russia.

Secondly I have something to share with you. This is a project of new payment ecosystem (<https://mycelium.com/phone/index.html>).

What do you think about it? Could it be interesting to invest?

Sergey
