Dear Jeffrey,

I understood from Alex that you are interested in learning continuous activities of BBB...here are some thoughts...this week Linnea Graaf and Cecilia Schott are staying in my apt 212 288 3210, old time BBB, in case you like to know more..

Have found a great inexpensive office with plenty of space for BBB events but need to let them-now interviewing smart beautiful Indian girl for possible BBB head...feeling better, not sure when back in NYC...big hug BE
