Hi Jeffrey,

I am very excited by a new investment. It is risky like any new internet technology, however it is already a very successful app.
The company doesn't want to accept external investments yet. They want to keep the ownership as private as possible until it sells for a lot of money or becomes listed.
Because I know the founding partners they would accept MY investment and I am personally convinced that it will make a lot of money.
I don't have enough money to invest alone. Would you like to help me to invest? At the moment it's a great opportunity as we would be amongst the first investors and me+you would share the profits.

Check "[REDACTED]", the app launched last month by Unii and is in the top five apps on the Apple App Store across Europe.

Speak soon,
