Yes. Funds could use a bit of refreshing. Would his be from your pals or one of your entities? I'm still waiting on MIT to approve direct contributions although as we discussed, I think we can get a "waiver" for Marvin related stuff. As always, appreciate it very much.

Also, we need to plan the "day 2" of forbidden research which will be a closed meeting. Reid will be there. We need to figure out who should be in the meeting.
