ANNOUNCEMENT

Origins Project Postdoctoral Prize Lectureship Winner

Adrian Liu, PhD, was recently announced as the inaugural winner of the **Origins Project Postdoctoral Prize Lectureship**. Adrian will be spending a week at the ASU Tempe Campus beginning on April 6th.

As part of the prize, Adrian will be providing several **free public lectures.** To learn more, please read the announcement on our website.

Adrian is visiting from the Berkeley Center for Cosmological Physics, where is is doing great work in his field. His research focuses on our universe's current evolved form by observing the distribution of hydrogen through space and time.

Support the Origins Project at ASU.

Make a charitable gift and maintain the momentum to explore courageous ideas, host international academic workshops and exciting public events.
