Subject: Schedule for music | MACHINES on Sat Feb 5

<<Music \_ MACHINES .pdf>>

Allow me to introduce myself, I'm Margaret Minsky, Marvin's daughter.

Marvin just asked me if I knew the entire schedule of the music | MACHINES Symposium; I'm attaching it to this message.

The Symposium is organized by Profs. Tod Machover and Joseph Paradiso

Marvin's talk is at 2 pm

The timing is perfect...Jeffrey supported a project this summer to encourage Marvin's publications, and the project evolved into what we are calling the "Marvin Music Project". I will send all the information about that in a separate message...just want you to know that Marvin's talk at this MIT Symposium will also be filmed as part of the publication project.

ATTACHED is the schedule for the music | MACHINES Symposium, Sat Feb 5

If you have any trouble reading the file, or any questions, please feel free to contact me directly
