That's not true ! I told you thank you before and after the event and after and about the ballet show too but if you accept " thank you " from emails more than saying it to you in a face I will do it next time sorry about that than . And I tried to find you a girl and when I finally was ready to bring her you said you don't want and you don't need it . I don't understand you ...

I never ask you money for not reasonable things I even don't ask you money for clothes and other staff like some girls do only important : bills, rent, school , food . At this time I had to ask you because you know I need money to bring w me for 8 days and presents for her parents ... I didnt even ask a particular amount I would appreciate any money u give and I'm really thankful to you for what you giving me If you think I'm asking to much let me know
