Susan,

Can you or Sarah help me get interior shots of the accommodations? First ask Jeff though, don't do it without asking. It will be confidential but needed for showing potential candidates their living quarters.

It is a separate private cottage on JE island. only about 2 minute walk from the main house area but very secluded and surrounded by trees. It is hardly even visible from the main area. It is very nice from the outside. I have never been inside but it is definitely at least one bedroom with a separate living room. I have sent [REDACTED] an email asking her to send me more details.

Sue,

In search of a GM, Jeff said they have their own residence/house. How far from the main house is this? Is it a private residence, could you give some detail on it – whether it's one bedroom, with or without living room? Is it a nice accommodation?

Thanks,

Stephen Hanson
