Jeffrey,

Thanks again for inviting me to your meeting about acupuncture studies. I am sorry I had to leave early, as the discussion was really fascinating, and on a roll---spurred by your insightful and challenging questions.

I look forward to seeing you tomorrow (Wed and Thurs) to let you experience it for your back firsthand.

I will show you J S Han's text on acupuncture and neurochemistry when you come.

I'll also be sending you a bundle of quality studies.

I look forward to talking further with my Harvard acupuncture colleagues--and putting them together with my staff.

Best regards,

Woody
