I spoke to Jeffrey Haber yesterday-alerted him to closing this week and fact that demolition would begin sometime this week. he will not be changing the coverage. SH Meadow Lane continues to be the insured. He said as long as another house will be on the property within the year it is preferable to keep the current coverage in force through the demolition and construction b/c there have been instances after a hurricane when it was difficult to get insurance. He will reassess appropriate level of coverage once construction is complete.

The deed confirming the merger of the two Meadow Lane properties (formerly 715 and 727) has been recorded and the merger complete. The property is now entirely owned by SH Meadow Lane LLC. Alerting you as this is important with respect to property and liability insurance. Once I have closing documents I will post them to the O drive.

Please let me know if you have any questions.
