worry , " not enough free radicals". Radicals like Abbie Hoffman, Timoth leary, galileo,, martin luther king, . People that are pushing the envelope of current thinking, There are few standouts, most ,even high tech thoughtleaders are mainstream, mediocre, homogeneous. Religion good or bad, democrat , republican, jets giants , these are mundane topics argued as nauseum. John, do you want more.

Very interesting and will be a welcome addition. BUT, let your ideas be eccentric. Who do you think you are? Richard Saul Wurman? (blowing it out his ass writing only in caps?) You don't want to go there.

Make it two paragraphs with sentences.

OK?
