will be in car .. I don;t think you guys will be able to keep this secret. that will pose a problem, because bill could stop it not pay it hr can stop it. he can have an investment trust as partner in a new bio tech inv co. that only his name appears. ? the best solution would still be for him to lend you the money and use the distributions to reduce the amount owed this would never need disclosure.

I have a small problem – there are several things that I need to finish tonight.

Can we instead talk tmr morning?

My flight is later than I was thinking – it boards JFK at 9:55am

So we could talk around 8:30 or 9am?

Does this work for you?

Sorry for this last moment change.
