Audio Advisors:

The new Samsung 75" x 1/2" thick LED, tight screen frame, best TV I've seen, List \$8,499.99 (\$8,000.00 our price).

They also have the 90" Sharp, not as crisp or bright as Samsung in my opinion List; \$9,999.00

90" x 2 inches thick, much thinner than 75" Samsung.

I'm sure newer items will be introduced in Vegas in January
