Philip....we have a serious problem. Gary states to the IRS that I withheld the appraisal of the jewelry which is not true...and on your watch I am in serious trouble.

You need to read thru the tax return asap and talk to Jeffrey and me Monday.

Gary also had my mother change her will on her death bed mid dec. 2010...she died in Feb. He got a loan of another 250,000.

He has been stealing money due me for a long time and I implore you to focus on this case now.

We are sort of stuck with each other and I have no idea why for two years you have always fluffed me off saying Gary can not break the law. Well, now it's a real problem and I need you.

What time can Jeffrey and I call you Monday. Please do not make this matter worse by ignoring me. Thank you,

Dear Philip and Jeffrey,

Hope you are both well.

Please let me know if you would like to send you a copy.

Thank you and I look forward to hearing back from you.
