Peggy

Please calm down. I am out of the office today on business (not golf). We can set a time to speak on Monday.

When are you back in NYC ?

Thanks

Phil

Subject: An apology

Dear Phillip:

I would like to apologize for not calling you tonight.

I had my credit card number stolen and thousands of dollars was charged to my account yesterday (which has been dealt with), I fell down a flight of slippery stone steps today in the farmhouse I am staying at in Aix-en-Provence (I am OK) and I am stressed out about my family situation.

Please accept my apology. I know you are very busy. I am asking that you do not resign as we have been on this case for an year and a half and you know all the players and information. I am assuming this case can be dealt with within the year.

I am at your mercy for any and all understanding.

Please reconsider. I would be most appreciative.

Thank you in advance.

Peggy
