Gentlemen,

When you finish reviewing the Purchase Agreement, please give me a call or let me know when you are available so that we can schedule a call with the Seller. There may be some terms/conditions in the revised APA that are not consistent with our discussions or you feel still need to be changed further. We are open to a discussion to find mutual agreement and look forward to completing the Agreement so that we can start the inspection without delay.

When you have the scope of prebuy inspection, please send that to me so that we can review and approve.

Thank you,

Howie,

The bank will need the operating agreement for SFS, LLC. Specifically, they need a list of the members and ownership shares. This is needed to clear any member who owns 10% or more of the company.

Thank you for your understanding. I am following up regarding the Purchase Agreement right now.
