Greetings Sir,

Painting department: No painting supplies are needed. All have been purchased.

Landscaping department: Renato is purchasing the final items needed for landscaping. The irrigation and landscaping supplies shipment ordered by Chris for both LSJ and GSJ arrived 10/31 via Tropical on STT. The shipment is cleared but not yet off-loaded from the vessel as of this morning. Per Dupson, all items needed are covered.

Pool department: More chlorine tablets, algaecide, and a very large order of the pool salt. We will also put together an order with Luli Pools.

Electrical department: Renato is purchasing the 3 types of receptacles, 3 types of receptacle covers, and 2 types of switches needed. Danny requested 24 of each of these items.

Marine department: So far, (6) dock boxes - 6' by 3' in white, (4) dock ladders, 7 steps per ladder.

I will send Carlos' additional items and the STC office list shortly.

Respectfully,

Daphne
