Firstly, I send them to you myself. Secondly, they have the internet on my page Russian Web site. Thirdly - I have not changed much over the 2 years and look almost the same. Compare: № 1 photo from Minsk (2 years ago), № 2 photos from Minnesota (10 months ago)

They do not have the dates and only I know when they were made.

Are you sure that you do not want to see me younger?

Good morning!

For good start of day:

Incidentally, I have "great" news: my period started today (Even that is very strange for me because usually I do not have it for 2-3 months), and this means that when you come, I'll done.
