How about this:

I recently learned that I have been misinformed by about the facts surrounding Jeffrey Epstein's conviction several years ago. These so-called "facts" came from news reports citing Florida civil attorneys, including one whose partner is currently serving 50 years in jail, and a man representing himself as an ex-FBI agent who I have since learned never in fact was in the FBI and is working for one of the attorneys who has been quoted in these stories.

Let me state quite forcefully and clearly that I find pedophilia totally reprehensible. However, now that I know the facts I must also say that I feel compelled to set the record straight: Mr. Epstein is not a pedophile by any definition of the word. And despite my disapproval of some of the choices he has made, during the time I knew him he was a kind and very generous man, both to people in need and to the greater community in which he lives.

As a Christian we are taught to forgive. Mr. Epstein has admitted the errors of his ways and paid for those mistakes. He is focusing his life on helping others. We should all do the same.

Maybe something like this using Jeffrey's wording below:

However, now that I know the facts I can state emphatically that I misspoke: Jeffrey Epstein is neither. And I apologize for statements to the contrary. I will state just as emphatically that I do not condone or endorse Mr. Epstein's poor choices, but given the true facts of the situation I feel compelled to set the record straight.

I would suggest, A strong retraction regarding me as possible, . She feels that she has been misled as to my crimes by florida civil attorneys , whose partners are currently in jail (scott rothstein) for making the same false lurid sex allegations. The man representing himself as an fbi agent , is in fact working for these money hunting attorneys. Mike Fisten. She is against pedophelia, and child abuse, and recognizes that I am neither. She doesn't condone my lifestyle or prior bad choices, but the mischaracterization of me , by the press as a pedophile , must be corrected. mike to edit

Jeffrey,

Rod Christie-Miller has come back asking me to identify the precise statement that we are objecting to (I can deal with this!!) and also the statement we are proposing.

Can I just ask you to confirm which wording, and I think we need to be realistic here, you would like me to put to him.

Regards,

Paul
