I get it, just not doing so well today....

Lost my flying car opportunity, UPM, FIRST asked for no ties, my aviation clothing line partners cancelled our mtng today, Xprize is probably next.. Dean just spent an hour talking to me on the phone about how he was advised to react when press confronts him. He was told by a crisis manager that it's a matter of time. And everyone is urging me to get a lawyer and speak out if the claims are really not true. Can't process it at the moment, little overwhelmed watching everything spin out of control again
