a quick update regarding your request for 4 extra T1'a at the Ranch

1. TW Telco have confirmed the availability of the extra T1
2. Advanced Communication and I are investigating a abandoned tower and building which is on Ranch Property. This Tower would be useful and probably cost effective for the Licensed Link from Sandia Crest to the Ranch.
Otherwise we would need to construct a 50 to 60 ft tower on the Ranch
3. The State are also looking for a new tower site in our area, there maybe an opportunity to Broker some form of deal with them.
3. I will be forwarding Tower information to Tracy Hoffman, Sutin and Brown so she can inform us what it will take to acquire this abandoned site.

Are you ok with the above
