There are no direct flights from Seattle to Warsaw. Only connections. We currently have her scheduled on LOT to NY on March 15...the ticket from Seattle to Warsaw (with connection) would be priced as a one way ticket and everything was very high...Depart March 20 from Seattle Delta 1:28 thru Amsterdam on to Warsaw arriving March 21 at 11:45am \$3003.60.

If we change her outbound flight on March 15 to NY to the BA connecting flights she could fly out of Seattle March 20 on BA with connecting flights to Warsaw arriving march 21 and the price would be \$769 Non Refundable. But she could do the BA connecting flight out of JFK on March 22 arrive March 23 Warsaw for \$655.30 Non Refundable

In order to get the price down we need to keep her on one carrier. Mariana is currently booked on the LOT direct flight on Sat. March 15 ...LOT is sold out March 22, 23 direct NY to Warsaw... the first available LOT direct flight is not until Mon. 24th.

Choices are:

March 15 LOT depart Warsaw 5pm arrive JFK 9:30pm  
March 24 LOT depart NY 7:40pm arrive Warsaw March 25 9:00am \$1595.60 Fully Refundable
