I'm at Tsinghua on June 22. Let me check September calendar. Would be a fun trip. Let me see as I have HYATT board retreat in the middle of the month. Last night was great. We should go to Saudi.

Dear Jeffrey,

Sorry for the late response! We'd been traveling in the US in the past week and just returned to Beijing a few days ago.

We had a wonderful breakfast meeting in New York and it was a real pleasure to talk with you about the recent development of Tsinghua and the potential cooperation between us. I agree with you that we should begin as soon as possible. We'd like to follow up with the scholarship program you proposed (not necessarily in my name, could be in name of a former president of Tsinghua or a distinguished professor. We'll figure it out later). It would be great to send some of our most talented students to spend some time in the evolutionary dynamics program at Harvard or the MIT media lab. We appreciate your kind offer of connecting us with the directors of these programs. I'd like to appoint Professor LI Jinliang (lijinliang@tsinghua.edu.cn), Dean of Office of International Cooperation and Exchange as the contact person for future communication.

I would also like to cordially invite you to visit our campus this September as fall is the best season of the year in Beijing. Professor LI Jinliang and his team will follow up with you to fix the date and help you arrange the trip accordingly.

I very much look forward to welcoming you at Tsinghua in the most beautiful season in Beijing.
