Hope you enjoyed this perfect day. How's Sunday or Monday morning? Plenty to discuss globally. Coffee or call, whatever you prefer.

I wondered if you had a view on this article since you like to follow macro and I like to count cars in parking lots.

Hi Jeffrey,

I hope you are doing great. I'm coming down to Florida and wanted to see if you were around for lunch or a coffee.

Everything is going well on my end as we head toward our launch in June. We got a cornerstone endowment investor locked up for a few years that I will tell you about when I see you. I don't know if you care about those operational updates but I feel like I haven't connected in a while so I wanted to reach out. Even if you don't care I wanted to tell you because it's cool and you will like this story.

Look forward to catching up,

David
