One of the wealthiest (but not high profile) Chinese from Beijing has asked me to do it with him.  
He will fund it - no amount mentioned.  
We must bring foreign management into Beijing , train local forces and run it on a on demand service across China.  
Kidnappings and blackmail have become a huge problem recently.  
New anti-corruption means you can't trust permanent local security because they see/know too much.

Need world class private security (personal protection) firm in Israel or US. It's for China to build up operations there - fully funded.  
Whom could we ask ?

Jes told PA to meet in Jan when he's settled in.  
Should I meet Jes before?

My deal going well, very close now.
