How do I get into Harvard Business School?

Richar Richard Ludlow, hiding in plain sight
122.9k views

I just started at HBS and would give the following advice based partially on my experience, but primarily on the profile of my classmates:

- **Apply by your mid 20's.** HBS is tre...

I was an investment banking analyst for three years and I've seen a lot of investment banking candidates and interns as well. **Here are some qualities that will help you suc...** Read More »

Does the Internet make elections more democratic or increase the risk of disinformation?

Ian Ian Bremmer, Political Scientist, President at Eurasia Group ✓
178k views

The internet provides greater voice for a population; much like the ballot box, it's a tool and a multiplier. What sort of voice depends very much on what sort of populatio... Read More »

What do most Singaporeans know that foreigners living in Singapore typically don't know?

Jason Jason T Widjaja, Business and analytics geek. Likes his clinically insane brother.

1. Shoes do not go into homes. I spent some time in the UK and Australia, and it was often all right to wear your shoes into someone else's home. However, in Singapore the n... Read More »

I don't understand how proofs that [math]1=2[/math] are possible. This seems correct. Can someone explain it?

Richard Muller, Prof Physics, UC Berkeley, author "Now, The Physics of Time" (Norton, 2016) ⓥ

I have a simplified proof that 1 = 2 that sheds light on yours. I can write 1 x 0 = 2 x 0 since both sides are equal to zero. Cancel the 0's to get: 1 = 2... Read More »

Harry Potter (creative franchise): Who is a more powerful wizard, Dumbledore or Voldemort? Why?

Peter Mark Ramirez, Writer, Reader, Reviewer & Student of Human Nature

Which wizard, **Albus Dumbledore** or **Lord Voldemort**, proved to be the most formidable? **Gellert Grindelwald**, **Pensieves**, and the **12 Uses of Dragon's Blood** aside, the **Dark Lord** re... Read More »

If a black hole is hurtling towards Earth and we have 120 years until impact, what can we do that is theoretically possible for us to survive?

Max Poshusta, C#/.NET Software Consultant, car, aviation, and astronomy lover

Well here's what we probably **would do**: Years 0-20:

- Everyone on Earth argues about whether or not we are seriously in any danger, and if it's even a black hole.

Years 21-40:... Read More »

How do most teenagers have their first kiss?
