Yes it's horrible, I am really traumatized from this experience.

I am doing PR for some brand she is promoting. I do gifting to celebrities and I help her with RSPV for some events, she also does organize shouting. [REDACTED]

[REDACTED] She told me that in September she is going to pay me.

Anyway also if I am not super excited about this job , it gives me some discipline, something you always tell me is fundamental. The only thing I am worry about is that she i think she is not happy in her life, she is based in [REDACTED] no men no kids, not attractive (ugly) plus [REDACTED] so is someone that does not give me a lot of positive energy.

Anyways don't have many plans for this summer. I would like to go for sure one week in Greece( Mykonos) end of July. For the rest of the time I am almost free. Also summer time I can easily work from my laptop since I just need to organize shipment of products to celebrities.

Let's try to organize something.

Never saw something like that, she got paralyzed and she had seizures and she couldn't breath...she was almost death... we went to the hospital with the ambulance now she is fine but was horrible to see that.
