I have got everything! Thank you so much!!

I have just wired the donation to Joi's institute as well - I am sending the confirmation of the wire to Rich!

I asked [REDACTED] to wait till Thursday - [REDACTED] said she needed to talk to me on Thursday. She has been useful, but could do a better job. I think [REDACTED] has model friends in moscow too - She hasn't made any in NY yet. Will talk to her tomorrow when I see her.
