Hi Jeffrey,

I won't be in on Thursday however Anna said that you wanted to go over the colors re the trim and the kitchen cabinets. Whatever color you choose is obviously fine with me. My thought was a gray stain (vs paint) on the trim/doors and white semi-gloss for the kitchen cabinets. Perhaps we should think about the art work as well. The frames were coordinated with the trim and the doors so perhaps we could consider black frames with either black and white or color photos.

FYI - eight people were fired from VIPA yesterday, some of whom only has less than a year to go before they retired. It appears the David Mapp has the same mean streak as his brother.

With warm regards,

Cecile de Jongh
