I'm told. U S. message. Confused as state and pentagon think one thing. White House another.

Emotions running high in your area. I look forward to getting more instructions from you on cultural differences. Maybe if i say. I like your country. Someone will try to give it to me. :)

I hope so .. my friends here thank you for your effort 🙌🙌 i visited with him yesterday, we have assurances that no military action will take place.. still waiting for saudi to put what they want in writing .. getting mix signals from US 😊.. even if he had a 45 min call with your FM ..

My opinion: he is the last chance bcz as i read saudi newspapers everyday .. they seem to be going One way.

Lets hope for the best .. still, the most important element i think is a clear message from US to resolve the issues within GCC.

Once turkey and iran are on board .. things will get nasty
