Hi Jeffrey..

I think you have this right -- both about Ben and about China (I keep trying to nudge him away from that idea, for exactly the reasons you note).

Ben is Israeli. His English is near-perfect (and his accent is perfect -- the guy is an amazing mimic), but he has a certain kind of Israeli personality that is prone to exaggeration etc. Nevertheless, he is smart, and does well with the Silicon Valley types.

I will make a firm decision at the end of next week. Stay tuned.

And take very good care,

s.
