Below from Justin Nelson...please advise.

Lesley,

On a separate note, I want to stop by to see Jeffrey with John Duffy, who runs the US for the Private Bank. I think we should do that separately from this meeting. But I'd like to coordinate this as well. Let me know if I should email Jeffrey about it or if you can ask him.

We also have the meeting with Dave Frame from our alternatives group if Jeffrey still wants to do that. I think it would be worthwhile.

Regards, Justin
